Thanks Jenny for the time on the call today. I do think it would be beneficial to have David Lasker (Corporate Council) to be on the next call with Barb so he has an opportunity to hear about the process. I cc'ed him on this email so you will have his contact as well.

Hi Barb,

I am an engineer at EPA and I have been working with Cheryl Burdett on the nitrate testing in Armenia. Are you available to speak on Monday, July 16 between 2:30 P.M. and 4:00 P.M.? I probably only need a half hour time slot. Please let me know what works for you.

Thank you,
Jenny
